## REWARD GUESTS FOR BOOKING YOUR HOTEL

Increase your reservations by having Fandango Rewards manage your next hotel promotion. Let our movie tickets and retail eGift cards create a compelling value-add for booking at your hotel.

By offering a Fandango Reward when travelers book their next reservation, you enhance your guest's lodging and travel experience. Our rewards can surprise and delight a customer with a movie ticket to go on the town. Get one or a pair. An eGift card will enhance their shopping experience. Denominations can be as small as \$5 up to \$500.

Our rewards are provided digitally and can be easily featured on your hotel booking site. Your guests can instantly download their rewards on a phone or on a computer when they leave for your destination. Our digital rewards keep your fulfillment costs low and easy to distribute at your hotel and concierge locations.

- Our rewards change consumer behavior
