

# FandangoNOW: Streaming at Your Service

FROM THE BIG SCREEN TO YOUR  
SMALL SCREENS

Not long ago, “watching TV” meant sitting in front of a screen in your living room, waiting for a favorite show to come on at a set time. Today, the growth of video-on-demand (VOD) programming options have changed the way consumers watch TV and movies. In a recent Nielsen online survey,\* nearly two-thirds of Americans (65%) say they watch some form of VOD programming. These statistics are higher (70%) among consumers ages 15-34.

FandangoNOW, offered by Fandango Rewards, addresses this popular and growing home entertainment trend. It is a lower-cost option to provide consumers an entertainment/movie reward.

Featuring more than 80,000 TV and movie titles, FandangoNOW requires no subscription and can be accessed as a purchase or rental on any Roku, smart TV, tablet or smartphone. TV content from all the major networks and channels are available one day after airing, and movie titles just under three months after theatrical release.

More importantly, your brand can deliver the reward digitally through a promotion code.
