## REWARD GUESTS FOR BOOKING YOUR HOTEL

Increase reservations by having us manage your next hotel promotion. Let our movie tickets and retail eGift cards create a compelling value-add to guests for booking. By offering a Fandango Reward you enhance your guest's lodging and travel experience.

A Fandango movie ticket, or pair, will surprise and delight any customer with a night out on the town. We also offer FandangoNOW, our proprietary on-demand video service featuring 80,000 movie and TV titles, so your guests can order room service and have a night in.

Shopping always happens on a vacation. Give guests an eGift card or virtual Visa® reward\* to enhance their experience. They'll purchase something that will remind them both of your generosity and their fun travel destination.

Our rewards are provided digitally and can be easily featured on your hotel booking site. This keeps your fulfillment costs low and easy to distribute at your hotel and concierge locations. Your guests can instantly download their rewards on a phone or on a computer when they head your way.

Differentiate your hotel with movie tickets or eGift cards from Fandango Rewards. Our rewards change consumer behavior.

We offer digital rewards for music, movies, apps, eBooks, games and more. Customized, and designed as a low-cost, scalable guest or employee reward.

FandangoNOW, our proprietary on-demand video streaming service, offers a less expensive alternative to movie tickets.
